

What is a Routine Eye Exam?

You have been scheduled for a “Routine Eye Exam” at Coastal Eye Care. Our doctors are committed to your ocular health and providing quality medical care. In an effort to help our patients understand what is included in a “Routine Eye Exam”, we ask that you read the following information:

A Routine Eye Exam, at Coastal Eye Care, involves a full evaluation of your eyes by a medical doctor. All aspects of the eye will be examined. Should there be any “medical” condition(s) found with your eyes such as, but not limited to, cataracts, glaucoma, diabetic retinopathy, age-related macular degeneration, or Ocular Surface Disease, your exam will no longer be considered “routine” and will be billed as a medical exam.

Please contact your insurance company and ask about your specific coverage regarding “routine eye care”. *Please note we do not participate in Vision Plans.*

If you have any further questions, please do not hesitate to call us at 207-667-6300 and ask to speak with the billing office. We will do our best assisting you to better understand your specific health insurance benefits.
